BANDMASTERS' FESTIVAL SET FOR WETASKIWIN APRIL 27 - 28

This year's festival promises to be one of the biggest yet organized by the C.B.A. Up to press time, bands are expected from as far afield as Grande Prairie and Jasper. A total of some 40 bands will participate over the two days of the festival. On the Saturday, the accent will be placed on school bands, and on the Sunday community bands from the northern half of the Province will attend.

The morning sessions each day will be taken up by solo and ensemble instrumental competitions, which will be adjudicated by members of the service bands from Edmonton. In the afternoons each band will play one or two set festival selections. On the completion of each band's performance the adjudicator, Mr. Orlan Strom of Cardston, will present his evaluation of their playing. There will be no competition for the bands.

Mr. Strom, a graduate of Montana State University, was, until recently, one of the top band directors in Montana. At the beginning of the 1962 term, he was engaged by the Cardston School Board as band director in the Junior and Senior High School there, and already shows signs of producing one of the finest bands in the South of Alberta. A few years ago Mr. Strom was one of a party of American music educators selected to tour European educational establishments to evaluate the training of instrumentalists in Europe. Mr. Strom has been engaged by this Branch as an instructor at the 5th Provincial Band and Orchestra Workshop.
